📍 Pune (MH)

SUMMARY

I have over a thousand hours of coding experience and am a solutions-driven web developer. I hold a Masai certification and have expertise in DSA, MongoDB, Express JS, React, HTML, CSS, and JS. A desire to learn about new technology. Seeking a position that will challenge me, and working toward excellence with commitment, initiative, a positive outlook, and love for the work that will make the most use of my technical and analytical skills to meet the needs of the organization and my own objectives.
